The hedge in the children’s play area had been trimmed leaving sharp ends of wood sticking out and loose sticks lying on the ground. The work to trim the inside of the hedge was difficult and Cllr Brewer recommended a mini-digger be brought in to “put up” the foot of the hedge as good management of the site. He reported the cost being approximately £300. Item to be placed on the agenda for the next meeting. Cllr D Hicks reported that the roadside of the hedge had also been trimmed although the contractor had not been authorised to do this. Cllr Brewer also reported that the grass between the fence posts was not being cut and the condition of the posts were deteriorating. Also the locations of the three tyres restricted grass cutting.</p> <p>It was proposed by Cllr D Hicks, seconded by Cllr N Easton and unanimously agreed that the trees in the area at the top of the Recreation Field be cut.
