

NDP FREE BIG BREAKFAST

The event took place on Saturday 4th March from 9am – noon. The 86 visitors that attended saw exhibits from the WI, St Sampson's, Church, South Hill Piecemakers, SHARE, Justin from the NHS demonstrating the difibulator and South Hill Village Hall. The main attraction however, was a display of the Neighbourhood Development Plan alongside Councillors talking about the plan and our ambitions for footpaths in the Parish. The visitors were from all areas of the Parish including Golberdon, Maders, Berrio, Mornick, Trewoodloe, Trewassick, Lansugle, Egypt, Trevigro, South Hill, Bray Shop, Jericho, and Manaton.

But actually what everyone really came for was a cooked breakfast with endless tea and coffee cooked and served by South Hill WI.

Steph McWilliams County Councillor and Sheryll Murray MP joined us and both enjoyed the breakfast!

The event was a huge success, enabling us to see the strength of organisations within our Parish and also the volunteers' hard work in producing the Neighbourhood Development Plan. It was a valuable opportunity for us all to catch up.

A big thank you to everybody that helped to put on the event and to all those that attended. We raised £112 in donations which will be given to Ellie's Haven.

The day was captured in pictures by local photographer Richard Squires.
